# coolwaves™

## ARE THE **BEST** SOLUTION FOR

### ● **BODY SHAPING**

Coolwaves™ penetrates deep into the fat tissue, making it sweat until it's gone. Total results and total comfort.

### ● **CELLULITE**

Our technology can adapt to target the connective tissue that causes the typical orange peel effect. A precise and effective action.

### ● **TIGHTENING**

Onda induces an immediate collagen shrinkage in the dermis and stimulates the production of new collagen. Total tone and zero discomfort.
